Announcement Content	
Explanations	

Within the scope of the investment decision regarding the "Ultra high molecular weight polyethylene" product, which is a product of our R&D studies within the scope of our new product development strategy;

-It has been decided to start investing in a new facility to produce under the Mithra brand, starting with a capacity of 350 tons/year and gradually increasing to 500 tons/year, and to accept the investment budget of USD 20 million to be commissioned starting from 2025 according to feasibility studies.

Submitted to the public information.

Yours Respectfully

Material Disclosure Announcement has been prepared in Turkish and in English. In case of any discrepancy between the two versions, Turkish disclosure will prevail.

We proclaim that our above disclosure is in conformity with the principles set down in "Material Events Communiqué" of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we're personally liable for the disclosures.
