Explanations	

Due to the excessive increase in raw material prices and the shrinkage in our market, our company will reduce capacity by 20% in production activities starting from August 16, 2018.

Our Company which has 315 tons/year of the World's largest and Turkey's only acrylic fiber manufacturing plant has reached the rate of about 98.6% capacity utilization during last five years of activity. Our company aims to reach full capacity production again with the elimination of uncertainty. The public disclosure will be announced as of the full capacity production is reached.

Submitted to the public information.

Yours Respectfully
