<b>Explanations</b>	

The reduction of capacity starting from August 16, 2018 by 20% due to the excessive increase in raw material prices and the shrinkage in our market, is increased to %40. Our Company which has reached the rate of about 98.6% capacity utilization during last five years of activity aims to reach full capacity again when the market conditions are convenient. The public disclosure will be announced on further changes in capacity utilization.

Submitted to the public information.

Yours Respectfully
